Notes:

- Current Non-Valued CPT Code values have been increased concurrent with year 2008 and 2009 ME1 multiplier.
- Some CPT Codes previously listed are removed as they are now valued by CMS.
- *Includes 30 minutes of record review time.
- **97810 valued on CY 2013 Medical Services and Treatment Fee guide.
- **99372 deleted but valued under new code 99442 on CY 2013 Medical Fee Services and Treatment Fee Guide.
- ***reasonable expenses and costs actually incurred because of the missed examination, as determined by the Commission.

The five character codes included in the Maryland Workers' Compensation Commission Guide of Medical and Surgical Fees are obtained from Current Procedural Terminology (CPT®), copyright 2021 by the American Medical Association (AMA). CPT is developed by the AMA as a listing of descriptive terms and five character identifying codes and modifiers for reporting medical services and procedures performed by physicians.

The responsibility for the content of the Maryland Workers' Compensation Commission Guide of Medical and Surgical Fees is with the MD WCC and no endorsement of the AMA is intended or should be implied. The AMA disclaims responsibility for any consequences or liability attributable or related to any use, nonuse, or interpretation of information contained in the Maryland Workers' Compensation Commission's Guide of Medical and Surgical Fees, fee schedules, relative value units, conversion factors, and/or related components are not assigned by the AMA, are not part of CPT, and the AMA is not recommending their use. The AMA does not directly or indirectly practice medicine or dispense medical services. The AMA assumes no liability for data contained or not contained herein. Any use of CPT outside of the Maryland Workers' Compensation Commission Guide of Medical and Surgical Fees should refer to the most current *Current Procedural Terminology*, which contains the complete and most current listing of CPT codes and descriptive terms. Applicable FARS/DFARS apply.
