## Response to Request for Continuance

## QuickStart Guide

REV 10/2024

When a Request for Continuance is filed, an email is sent to the respective parties aside from the requester informing them that they have one day to respond to the Request and that a case exists in CompHub for the respective response. Users can click the link in the email, look in their inbox for a case with the prefix RFC, or navigate to Start New Action> Hearings> Response to Request for Continuance.
